

HEZEKIAH BULUS

DATA ANALYST | OIL & GAS ANALYTICS | PUBLIC HEALTH DATA

Mubi, Adamawa State, Nigeria | hezy2026@gmail.com | LinkedIn: www.linkedin.com/in/hezekiah-bulus-5592b1258

PROFESSIONAL SUMMARY

Analytical and detail-oriented Data Analyst with a background in Biochemistry, Public Health, research, and business operations, complemented by the Google Data Analytics Professional Certificate and CAPM training. Skilled across the analytics lifecycle: asking analytical questions, preparing and cleaning data, analyzing, visualizing, and communicating insights. Hands-on with Excel, Google Sheets, SQL/MySQL, Tableau Public, R/RMarkdown, and SPSS, with developing Python and GitHub skills. Building an Oil & Gas analytics portfolio and seeking opportunities in Oil & Gas, Energy, Business Intelligence, Operations, and Public Health data.

DATA ANALYTICS SKILLS

Data collection & preparation • Data cleaning & validation • Exploratory data analysis • Descriptive & inferential statistics • Trend & KPI analysis • SQL querying • Excel & Google Sheets • Tableau dashboards • Data visualization • Data storytelling • Research reporting • Data quality • Evidence-based decision-making

TECHNICAL TOOLS

Excel | Google Sheets | SQL | MySQL Workbench | Tableau Public | R | RMarkdown | Basic Python | GitHub | Microsoft Word | PowerPoint | Google Docs | Canva | Notion | Slack | Microsoft Teams | Zoom | Google Meet

DATA ANALYTICS PROJECTS

US OIL & NATURAL GAS PRODUCTION & DISPOSITION ANALYSIS

Excel | SQL/MySQL | R/RMarkdown | Tableau

- Cleaned and prepared oil and natural gas production/disposition data for analysis.
- Used SQL to filter, sort and explore records by production date, state, county, commodity, land category and disposition.
- Analyzed production trends and patterns and translated findings into business-oriented insights.
- Used R/RMarkdown to support data preparation and analysis and Tableau to communicate results visually.

GOOGLE DATA ANALYTICS CASE STUDIES

Excel | Google Sheets | SQL | Tableau | R

- Applied the Ask → Prepare → Process → Analyze → Share → Act workflow to practical analytics exercises.

- Developed SMART questions and statements of work, prepared datasets, identified quality issues, cleaned data, queried data with SQL and communicated findings through visualizations.

OIL & GAS DATA ANALYTICS PORTFOLIO

Excel | SQL | Tableau | R | GitHub

Developing practical case studies covering oil and gas production trends, gas production and flaring, drilling activity, downtime, HSE performance, CAPEX/OPEX, asset performance and operational efficiency.

EXPERIENCE

OWNER — HBK Patent Medicine Store, Mubi, Adamawa State

2020 – Present

- Manage daily operations, inventory, procurement and customer service.
- Maintain and review sales, stock and purchasing records to support operational decisions.
- Monitor inventory levels and identify replenishment requirements.
- Apply structured record keeping, data organization and basic analysis to routine business decisions.

NYSC CHEMISTRY TEACHER — Community Day Secondary School, Doho, Gombe State

2021 – 2022

- Maintained student performance and assessment records and used results to identify learning gaps.
- Prepared reports, lesson plans and assessments and communicated findings clearly to students and colleagues.

MATHEMATICS TEACHER — Teaching Practice, Government Day Secondary School, Dazala

2022

- Maintained academic records, monitored performance and used quantitative information to support teaching decisions.

SIWES / LABORATORY TRAINEE — DNA Medical Laboratory & Diagnostics, Mubi

2017 – 2018

- Supported laboratory activities, sample documentation and structured health-related records with attention to accuracy and quality procedures.

VOLUNTEER — Nigerian Red Cross

- Participated in community-oriented humanitarian and public health activities and supported community engagement.

PUBLIC HEALTH DATA & RESEARCH

Evaluation of Adverse Health Effects of Herbicide Use Among Farmers in Arhan Kunu Community, Mubi South LGA, Adamawa State

Descriptive cross-sectional research | SPSS

- Developed research questions and a structured data-collection instrument.

- Participated in sampling, field data collection, data preparation and documentation.
- Applied descriptive and inferential statistical techniques in SPSS.
- Interpreted results and developed evidence-based recommendations.

Additional research areas: malaria prevention practices, counterfeit/substandard medicines, healthcare waste management, sickle cell disease and out-of-pocket expenditure, adolescent reproductive health, community health diagnosis, and environmental/occupational health.

EDUCATION

- Master of Public Health / MSc Public Health — National Open University of Nigeria (NOUN), 2024–2026
- B.Sc. Biochemistry — Adamawa State University, Mubi, 2015–2021, Second Class Upper Division
- Postgraduate Diploma in Education (Integrated Science) — University of Maiduguri, 2021–2022, First Class
- Senior Secondary School Certificate (WAEC) — Halibarth English College, 2013

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- **Google Data Analytics Professional Certificate — Google Career Certificates / Coursera, 2026**
- Foundations: Data, Data, Everywhere
- Ask Questions to Make Data-Driven Decisions
- Prepare Data for Exploration
- Process Data from Dirty to Clean
- Analyze Data to Answer Questions
- Share Data Through the Art of Visualization
- Data Analysis with R Programming
- Google Data Analytics Capstone: Complete a Case Study
- **Certified Associate in Project Management (CAPM) — 2026**
- **Seismic to Simulation Internship — 2026**
- **Teachers Registration Council of Nigeria (TRCN) — 2022**
- **Diploma in Computer Appreciation — Preview ICT / Federal Ministry of Science & Technology, 2014, Distinction**
- **Child Protection — 2024 | International Diplomacy & Protocol — 2024 | International Conflict Resolution — 2024**

PUBLIC HEALTH PRACTICUM

- Federal Medical Centre, Mubi — public health field activities, healthcare delivery exposure and community diagnosis.
- Ministry of Livestock / Abattoir — ante-mortem and post-mortem inspection and meat inspection exposure.
- Ministry of Environment — environmental health, sanitation and public health monitoring exposure.

PROFESSIONAL MEMBERSHIP

African Society of Healthcare Professionals | Teachers Registration Council of Nigeria (TRCN)

CAREER TARGETS

Data Analyst • Junior Data Analyst • Oil & Gas Data Analyst • Energy Data Analyst • Business Intelligence Analyst • Operations/Data Analyst • Monitoring & Evaluation Analyst • Public Health Data Analyst • Research Analyst • Oil & Gas/Energy Graduate Trainee
